## HOGUE KNIVES®

Hogue Knives has surpassed a decade of precision engineering and stringent manufacturing practices that have given rise to quality knives of exceptional performance. Our team is lead by the President of Hogue Tool and Machine and Master Tool Maker Jim Bruhns. Every knife that leaves the floor leverages the expertise of three generations of passionate craftsmen and ambitious end users.

Hogue Knives are meticulously crafted in the USA. This not only helps to support our economy, it also allows us to maintain the highest level of quality during every step of the process. We supply knives to the United States military as an approved vendor.

At Hogue Knives we strive to ensure that we deliver the best possible fit, form and function that we are capable of producing so that your knife is dependable and can be enjoyed for a lifetime.
